

## Pequot Yacht Club Facilities

### MAIN CLUB HOUSE

Lunch Daily - in season  
Telephone

### JUNIOR CLUB HOUSE

Men's Room and Shower  
Ladies' Room and Shower  
Club Manager's office

### AT THE DOCK

Gas, Diesel, Water, Pumpout,  
Ice (Block & Cubes)  
Launch Service to moorings  
Emergency Phone for 911

The club monitors channel 69.  
A launch can also be called with three horn blasts

### How to pick up Pequot's fore and aft mooring

Approach from behind and parallel to the mooring.  
Pick up the first line, which will become  
your stern line, from about mid-ship —  
It's the widest part of your vessel and close to the helm.  
Hand the line to the boat operator so it can be secured  
to a stern cleat. Proceed forward and pick up  
the bow mooring from the bow and secure it to a  
forward cleat. If your vessel is directed to a mooring  
designed for a larger vessel you may need to bend  
on an extension to the aft mooring line so that  
you can reach the forward (bow) mooring line.

The yacht club staff is instructed to help  
all new arrivals to secure their mooring.

## How To Find The Yacht Club

### BY TRAIN

Metro North to Southport Station  
follow Center Street South to the Club

### BY CAR

*Exit 19 from either I-95 South or North.*

Northbound Travelers take a right onto  
Center Street and proceed to the club.  
Southbound Travelers follow exit road  
paralleling I-95. Just before the Southbound  
ramp take a left under I-95 onto  
Center Street and proceed to the club
